Description

Thinking about moving to permanent residence? Spacious apartment with incredible views of the Indian Ocean of 155 sq.m. is already waiting for its owner in the heart of the resort village of Tamarin on the west coast of Mauritius!

The apartment is located in a modern residence, the construction of which will be completed this year.

The carefully designed layout of the apartment will provide you with three spacious bedrooms, which are ideal for family life. Two well-equipped bathrooms and a guest toilet provide comfort and make this apartment an ideal choice for both permanent residence in Mauritius and for renting out. The layout of apartments in Mauritius usually leaves much to be desired, which cannot be said about this project. Here, the architects managed to maximize natural light in all rooms and create a welcoming atmosphere.

Enjoy the flexibility of partially furnished spaces that allow you to customize the interior according to your personal style and preferences. With a modern design and ample living space, this apartment is ideal for those looking for comfort and practicality.

This project is conveniently located in the center of the village of Tamarin, here all the necessary infrastructure is at your fingertips!

The apartments are located in a business-class residential building with closed parking and an incredible roof terrace with an infinity pool with unrivaled views of the Indian Ocean and Mount Le Morne. By purchasing apartments at an average market price, you get a unique opportunity to watch the most picturesque sunsets on the island without leaving your residential development.

Investing in real estate in Mauritius is your right step in forming a liquid and low-risk investment portfolio.

By purchasing this apartment in Mauritius, you will receive permanent residence for your entire family, i.e. permanent,
