Description

This stylish villa, with a total area of 485 m², is set on a 2,002 m² plot in one of the most prestigious and peaceful areas of the east coast, where privacy, security, and lush surroundings create a comfortable living environment. The terraces and relaxation areas offer pleasant views of the golf course and tropical landscape.

The architecture combines light façades, clean lines, and large panoramic windows that fill the space with natural light. The interiors are designed in a distinctive glam-chic style, featuring designer furniture, statement lighting, and decorative accents that create an atmosphere of refined luxury.

The spacious living room is seamlessly connected to the dining area and a modern kitchen with an island, forming an ideal space for everyday living and entertaining. The villa includes five bedrooms, each with its own en-suite bathroom and walk-in wardrobe.

A standout feature is the long infinity pool with a terrace, sun loungers, and a lounge area, as well as a separate pavilion overlooking the golf course. The landscaped garden with palm trees enhances the sense of privacy and tranquility.

This is a home where style, comfort, and a resort lifestyle come together in perfect harmony.
