Description

This striking villa has been created for those who value privacy, space, and understated elegance. Its architecture blends natural wood, stone, and contemporary lines in perfect harmony, creating a warm and truly inviting atmosphere reminiscent of a seaside private residence.

The villa offers 5 bedrooms, making it an excellent choice for a large family as well as for comfortably hosting guests. The layout has been thoughtfully designed so that the interior spaces flow naturally into the outdoors: a bright living room, a dining area with a high ceiling, a bar, a fully equipped kitchen, and spacious terraces come together to create the ideal setting for both everyday living and entertaining. The master bedroom is located upstairs, offering an especially pleasant sense of privacy.

Particular attention should be given to the outdoor living area, featuring a long infinity pool, a covered terrace, and a beautifully landscaped garden. The villa enjoys lovely views over the golf course, the garden, and towards the sea, creating a unique atmosphere of peace and resort-style living.

The property is set in one of the most attractive and well-maintained parts of the residence: quiet, green, secure, and exceptionally comfortable for both living and leisure. Nearby, you will find golf, the lagoon, premium services, and all the infrastructure required for a high standard of living.
